

THE BOOK OF DANIEL PREDICTED SOME 2540+ YEARS AGO, THE “REVIVED” ALEXANDRIAN EMPIRE WOULD ARISE “AT THE TIME OF THE END”! (DAN. 8:17)

This is the “former kingdom” of Alexander the Great at his death (323BC), as predicted 215 years earlier (538BC) in Daniel 8:2-8 & 15-22. It is an historical fact this prophecy was true, and came to pass!

This is the “latter kingdom” of Alexander the Great’s successors (2002AD), as predicted 2540+ years earlier in Daniel 8:23-27 to “rise again” at the end of time. It is also true and can now be seen daily around the world on CNN News. This BEAST KINGDOM (Islamic) has been hidden in ALL modern Middle East maps until now! Soon, an Arab king (antichrist/beast), will rule over this kingdom until Jesus returns.
